Time Limit None   **Allowed Attempts** Unlimited

Instructions

Please answer the eleven questions on this survey.   The assignment is not graded (except for completion), and it is not punative to yourself or your team members.

The primary purpose is to help you to assess how well you worked as a group or as an individual with the goal of improving your performance as we go forward in the class.

The secondary purpose is to help the department assess the current skills of our undergraduates. Your answers to questions 2 through 7 and 11 may be included as part of the Computer Science program assessment as required by ABET (so please be answer honestly).

Your answers to questions 8 through 10 will not be shared and are solely for your self reflection.

This quiz was locked Mar 24 at 11:59pm.
